

Let's Stand Together to
KEEP NIPOMO RURAL!

December 2023 Newsletter

Standing for Real Affordable Housing, Critical Infrastructure, and Environmental Preservation

MAJOR PUSH BEFORE BOARD OF SUPERVISORS MEETING

Time to get strategic and focused!

NAC is taking action in three major strategy areas:

1) Public input via LETTER WRITING CAMPAIGN—

WE NEED YOU AND A FRIEND TO WRITE A LETTER to all five Supervisors! We need letters to address the applicable issues to their responsibilities as REPRESENTATIVES of the people and their sworn commitment to *“the implementation of policies and the provision of services that will enhance the economic, environmental and social quality of life in San Luis Obispo County.”*

2) Developing a feasible, realistic and appropriate map that fits in keeping Nipomo rural, bringing TRUE “affordable” housing to the area while protecting the natural resources that make this area special.

3) Continue to examine legal remedies by which WE can deter the worst aspects of this mega-development from coming to fruition. There are a number of possibilities and NAC has secured legal counsel and other experts who are assisting us with these efforts.

WE NEED YOU, the community, to help! The two main ways you can help is:

1) **with letter writing**; see below for assistance in this. Remember--Strategic and focused. That's what we as a group must be. Our letters need to reflect that.

2) **by making a donation** to ensure we have the financial resources to maintain our legal counsel and other experts. Click here to be taken to the website where you can make a secure donation. and THANK YOU in advance anything you can do!!! *All donations are tax-deductible*

Letter Writing Campaign - Please consider coordinating with others on your letters.

Again, we need to get focused and concrete. For example, we need to say what we're for, not just what we're against! And we need to be consistent with our messaging.

Come to one of the clinics below to be certain your letter has as much influence as it possibly can!

Two letter writing clinics are being offered at the Nipomo Library on

Wednesday, December 6, 1-4p.m. and Thursday, December 14, 1-4p.m.

Contact Jeanie to review your letter. jeaniemiddleclass@charter.net

In January, another clinic will be offered on Wednesday, Jan. 3, 12:30 to 2 pm

Supervisor Jimmy Paulding will be at the Nipomo Library on Thursday, 12/7.

If you would like to schedule a meeting with him, please let his legislative assistant James Sofranko know and he will schedule a time with him. Call him at: (805) 781-4337 or email him at:

jsofranko@co.slo.ca.us

**Mark your calendars for NAC Public Meeting – Sunday January 7, 5pm
at Blacklake Community Room**

Please go to the [Next Steps/Upcoming Meetings](#) page of the NAC website to see what the upcoming priorities are and how you can help to keep our momentum moving forward!

And gratitude for all you do!!! Enjoy the Season and Happy Holidays!
